

At Nevada State Bank, we believe in the power of education and the difference it makes in the community. Nevada schools need funding now more than ever. While we continually strive to volunteer and invest in our children's future, we want your participation, too.

We are giving away a total of \$20,000 to three schools who get the most votes on our Facebook page. Beginning August 21 through October 14, 2011, log on to Facebook and "like" us, then cast your vote for a deserving K-12 public school.

It's up to you, Nevada—where can we make a difference?
