Our Memories of Bill

Bill Endow's work at the Nevada Test Site exemplified his patriotism for this country. He was very people- and community-oriented. Of special interest to him were the schools in Southern Nevada – the students and the teachers. His activism in the teacher recruitment program for the Clark County School District reflected his commitment to the community. This scholarship program was created to assist high-achieving and service-oriented Asian students to continue Bill's efforts to make this a better world, not only for Asians, but for all Americans.

*Tom Mack, Deputy General Manager
Bechtel Nevada*

Bill was a person who would do the work but never ask for recognition. He was always there when we needed him. He spent many hours doing community work on behalf of the Asian Chamber of Commerce. He never spoke negatively about anyone.

*Robert Young, Co –Chairman
Asian Chamber of Commerce*

Bill Endow was the most sincere and dedicated community service advocate I have ever met.

*James Yu, CPA, Co –Chairman
Asian Chamber of Commerce*

Bill Endow was a quiet but effective facilitator who was able to bring opposing viewpoints together for the good of the group. He valued ideas from people of different ages, genders, and ethnic heritage.

*Dr. Caryl Suzuki, Principal
Southwest Behavior Junior/Senior High School*
