November 22, 2010

Dear Parents/Guardians,

Early this morning, an unidentified adult male body was found on Green Valley High School property adjacent to Guilford Drive. Students who walked to school this morning were diverted from the scene and directed to the main building. Some students may have seen the body, and we have encouraged all staff members to direct affected students to the counseling department.

It is always difficult when situations occur that do not make sense. Please rest assured that we have your sons/daughters best interest in mind and will continue to identify students who may need assistance in the upcoming days.

If you have any questions or concerns, please do not hesitate to contact my office at 799-0950 ext. 4100.

Sincerely,

Jeff Horn, Principal
