

Gator Reading Incentive Month 2012

HOW IT WORKS

1. For the next four weeks (2/6-3/2), we give you a special motivation to read.
2. Your teachers will make available to you colored slips.
3. For each book, story, or article you read, fill out a slip, including a brief summary, and give it to your teacher. If you read from a book checked out at the GVHS library, you may submit two summary slips for each chapter. Doing so will increase your chances of winning a prize. You must include the book's barcode though.
4. Your teacher will send to the library all signed and stamped slips submitted for the week, and they'll be counted.
5. On four consecutive Fridays beginning on February 10, names of the nine winners and their participating teachers will be read at announcements.
6. Immediately after announcements, winners come to the library where final prizes are determined.
