

# AWFUL WRITING

## WRITER APPARENTLY WANTS US TO THINK HE/SHE IS SMART

*Long established myth to the contrary notwithstanding, sports are inextricably intertwined and interdependent with—not isolated or insulated from—the most serious and deeply rooted and ideological structural existing in formally activities consigned to human affairs, sports reflect, reaffirm, and reinforce the prevailing character of human and institutional relationships within and between societies and the ideological foundations buttressing those relationships.*

## WHAT MAKES IT AWFUL?
