

Fairy Tales

C. S. Lewis wrote the first book of *Chronicles of Narnia* for Lucy Barfield. The text below is from his letter to her:

"I wrote this story for you, but when I began it I had not realized that girls grow quicker than books. As a result you are already too old for fairy tales, and by the time it is printed and bound you will be older still. But **someday you will be old enough to start reading fairy tales again.**"

Fairy tales are for adults too.
