

GONE IN AN INSTANT

FEW QUALITIES ARE AS IMPORTANT TO YOU IN YOUR LIFE AS BEING TRUSTED BY OTHERS. TRUST TAKES A LONG TIME TO BUILD, AND ONE MOMENT OF WEAKNESS, WHEN YOU CHEAT OR DECEIVE, IS ALL IT CAN TAKE TO DESTROY IT. FURTHER, ONCE DESTROYED, EARNING IT BACK TAKES A LONG TIME.

RESIST THE TEMPTATION TO CHEAT IN SCHOOL.

Remember that a reputation for honesty dies easily while a reputation as a cheater dies hard.
