

# GV *oice*

*Calamus Gladio Fortior*

---

Classmates,

Welcome to *GVoice*, Green Valley High School's new literary publication, whose mission is to promote the value and power of literature.

*GVoice* provides a way for us to publish original compositions online in a variety of ways and to critically interact with other student writers and their readers as part of a community of young literary voices.

Jordan Orris and Sean Elezra  
Class of 2012
